

FAMILY EQUALITY COUNCIL

Host a Gathering at Family Week!

In years past, our parents have hosted community building gatherings for families of a particular make-up to meet each other and share their like experiences. Gatherings of families with single parents, dads, adoptees of a particular country, multiracial families and families of a particular faith have all occurred at Family Week in years past. If you have an idea for a new gathering, by all means submit it to us!

Gathering hosts agree to handle all of the logistics (securing a location, food and/or activities) of their event on their own. The Family Equality Council will advertise your event in our program book once you register it with us. If you would like to host your own gathering at this year's Family Week, please download and fill out the form below. Additionally, please include a 30-50 word description of your gathering including your intended audience for our program book.

If you would like your gathering to be listed in our Family Week Program Book, you must submit your information to Family Equality Council by **Monday, June 2, 2008**.

To submit your application to host or if you have additional questions, please contact Ariana.Flores@familyequality.org.
