BECOME A FUNDRAISER!

In just a few steps, you can create a fundraising page for *Our Families, Our Future*—joining LGBTQ+ families and allies across the country in raising money that will go directly toward advancing the movement for LGBTQ+ family equality.

1. Visit [familyequality.org/future](http://familyequality.org/future) and click “Become a Fundraiser.”

2. Click “+” to create a page, then follow the prompts on the following pages to complete your registration.

3. Upon completing your registration, you will be emailed a link to your exclusive, fully customizable fundraising page. Click that link to get going!
4. Once you gain access to your fundraising page, you will be able to update the name of your page, the profile picture, and your story. You can also set a fundraising goal!

5. Moving forward, you can reach out directly to friends and family and ask them to bring you closer to that fundraising goal or thank them for their support. You can also post updates to your campaign to encourage folks to continue to contribute. Consider using the “updates” tab to share some of the posts and materials we’ve compiled here.

6. To edit your page at any time, go to the top right corner of the screen and click “Manage.” From there, you can edit your story, profile picture, goal, and more!
